

A DREAM FULFILLED ~

THANK YOU FOR CREATING THE FACILITY OF THE YEAR

Photography by RandesignStudio.com

Our dream was to create the finest self storage facility available anywhere. The challenges were both formidable and unexpected. As a result of the focused and dedicated efforts of these individuals and their organizations, we successfully carried out our vision.

The loyal support of family and friends was equally important and appreciated.

On behalf of myself and fellow members of I-5 Self Storage, LLC, we thank you all for creating the Facility of the Year, 2009.

Very truly,
Randy Scott Wong, Esq., CCIM
